To members whom it may concern,

I am writing to confirm that Olalekan Ogunmolu has completed all requirements to earn his PhD in Electrical Engineering. I was Olalekan's PhD advisor and committee chair. He completed all required coursework and successfully defended his PhD on May 16, 2019. His PhD will be officially awarded at the summer commencement ceremony in August. Please let me know if I can prove any more information.

Sincerely,

A handwritten signature in black ink that reads 'Nicholas R. Gans'.
